

Will your assets last as long as your retirement?

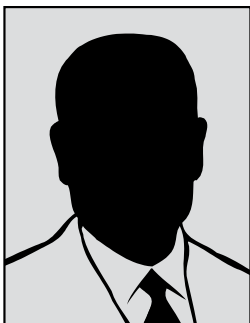

If not, we have a solution for you. A fixed deferred annuity from Kansas City Life Insurance Company offers you the opportunity to generate a stream of income that's guaranteed to last a lifetime.

With that same solution, we can also offer you competitive, guaranteed minimum interest rates, tax-deferred growth, access to your money when you need it* as well as a guaranteed death benefit for your heirs.

You owe it to yourself to find out if a fixed deferred annuity is right for you.

**Withdrawals may be subject to regular income tax and, if made prior to age 59 ½, may be subject to a 10% IRS penalty. Surrender charges and other restrictions may apply. Be sure to read product information carefully and speak to your agent to learn more.*
